

Lag B'Omer Clip Art

By Walder Education Pavilion of Torah Umesorah

Director: Mrs. Rouhama Garelick

Created by: David Sokoloff and Tova Miriam Puchovitz

Grade Level: Early Childhood- 5th

Description:

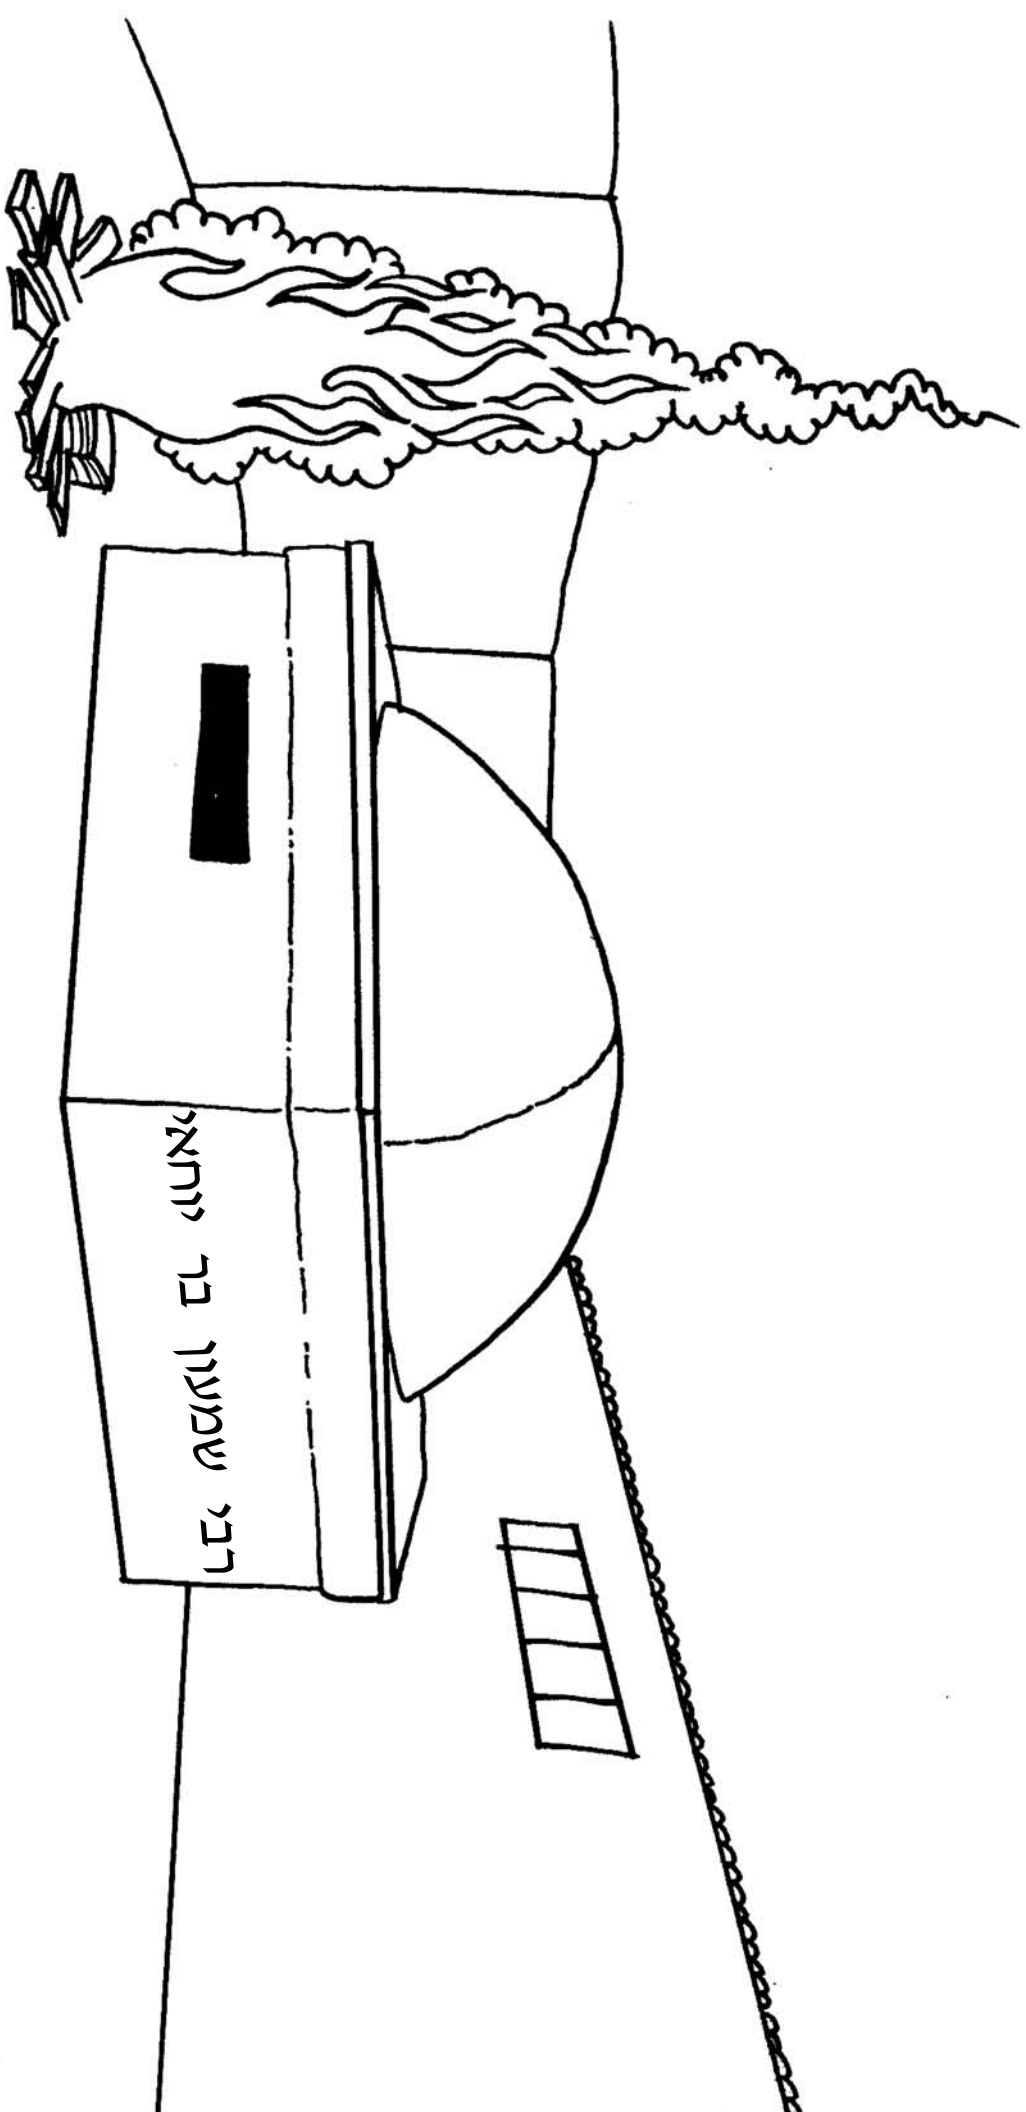

A beautifully illustrated *Sefiras Haomer and Lag B'omer* clip art book for children by David Sokoloff. There is a series of delightful drawings depicting the activities associated with *Lag B'omer* for your students to color. The clipart pictures can also be used in a variety of other ways. (See Instructions)

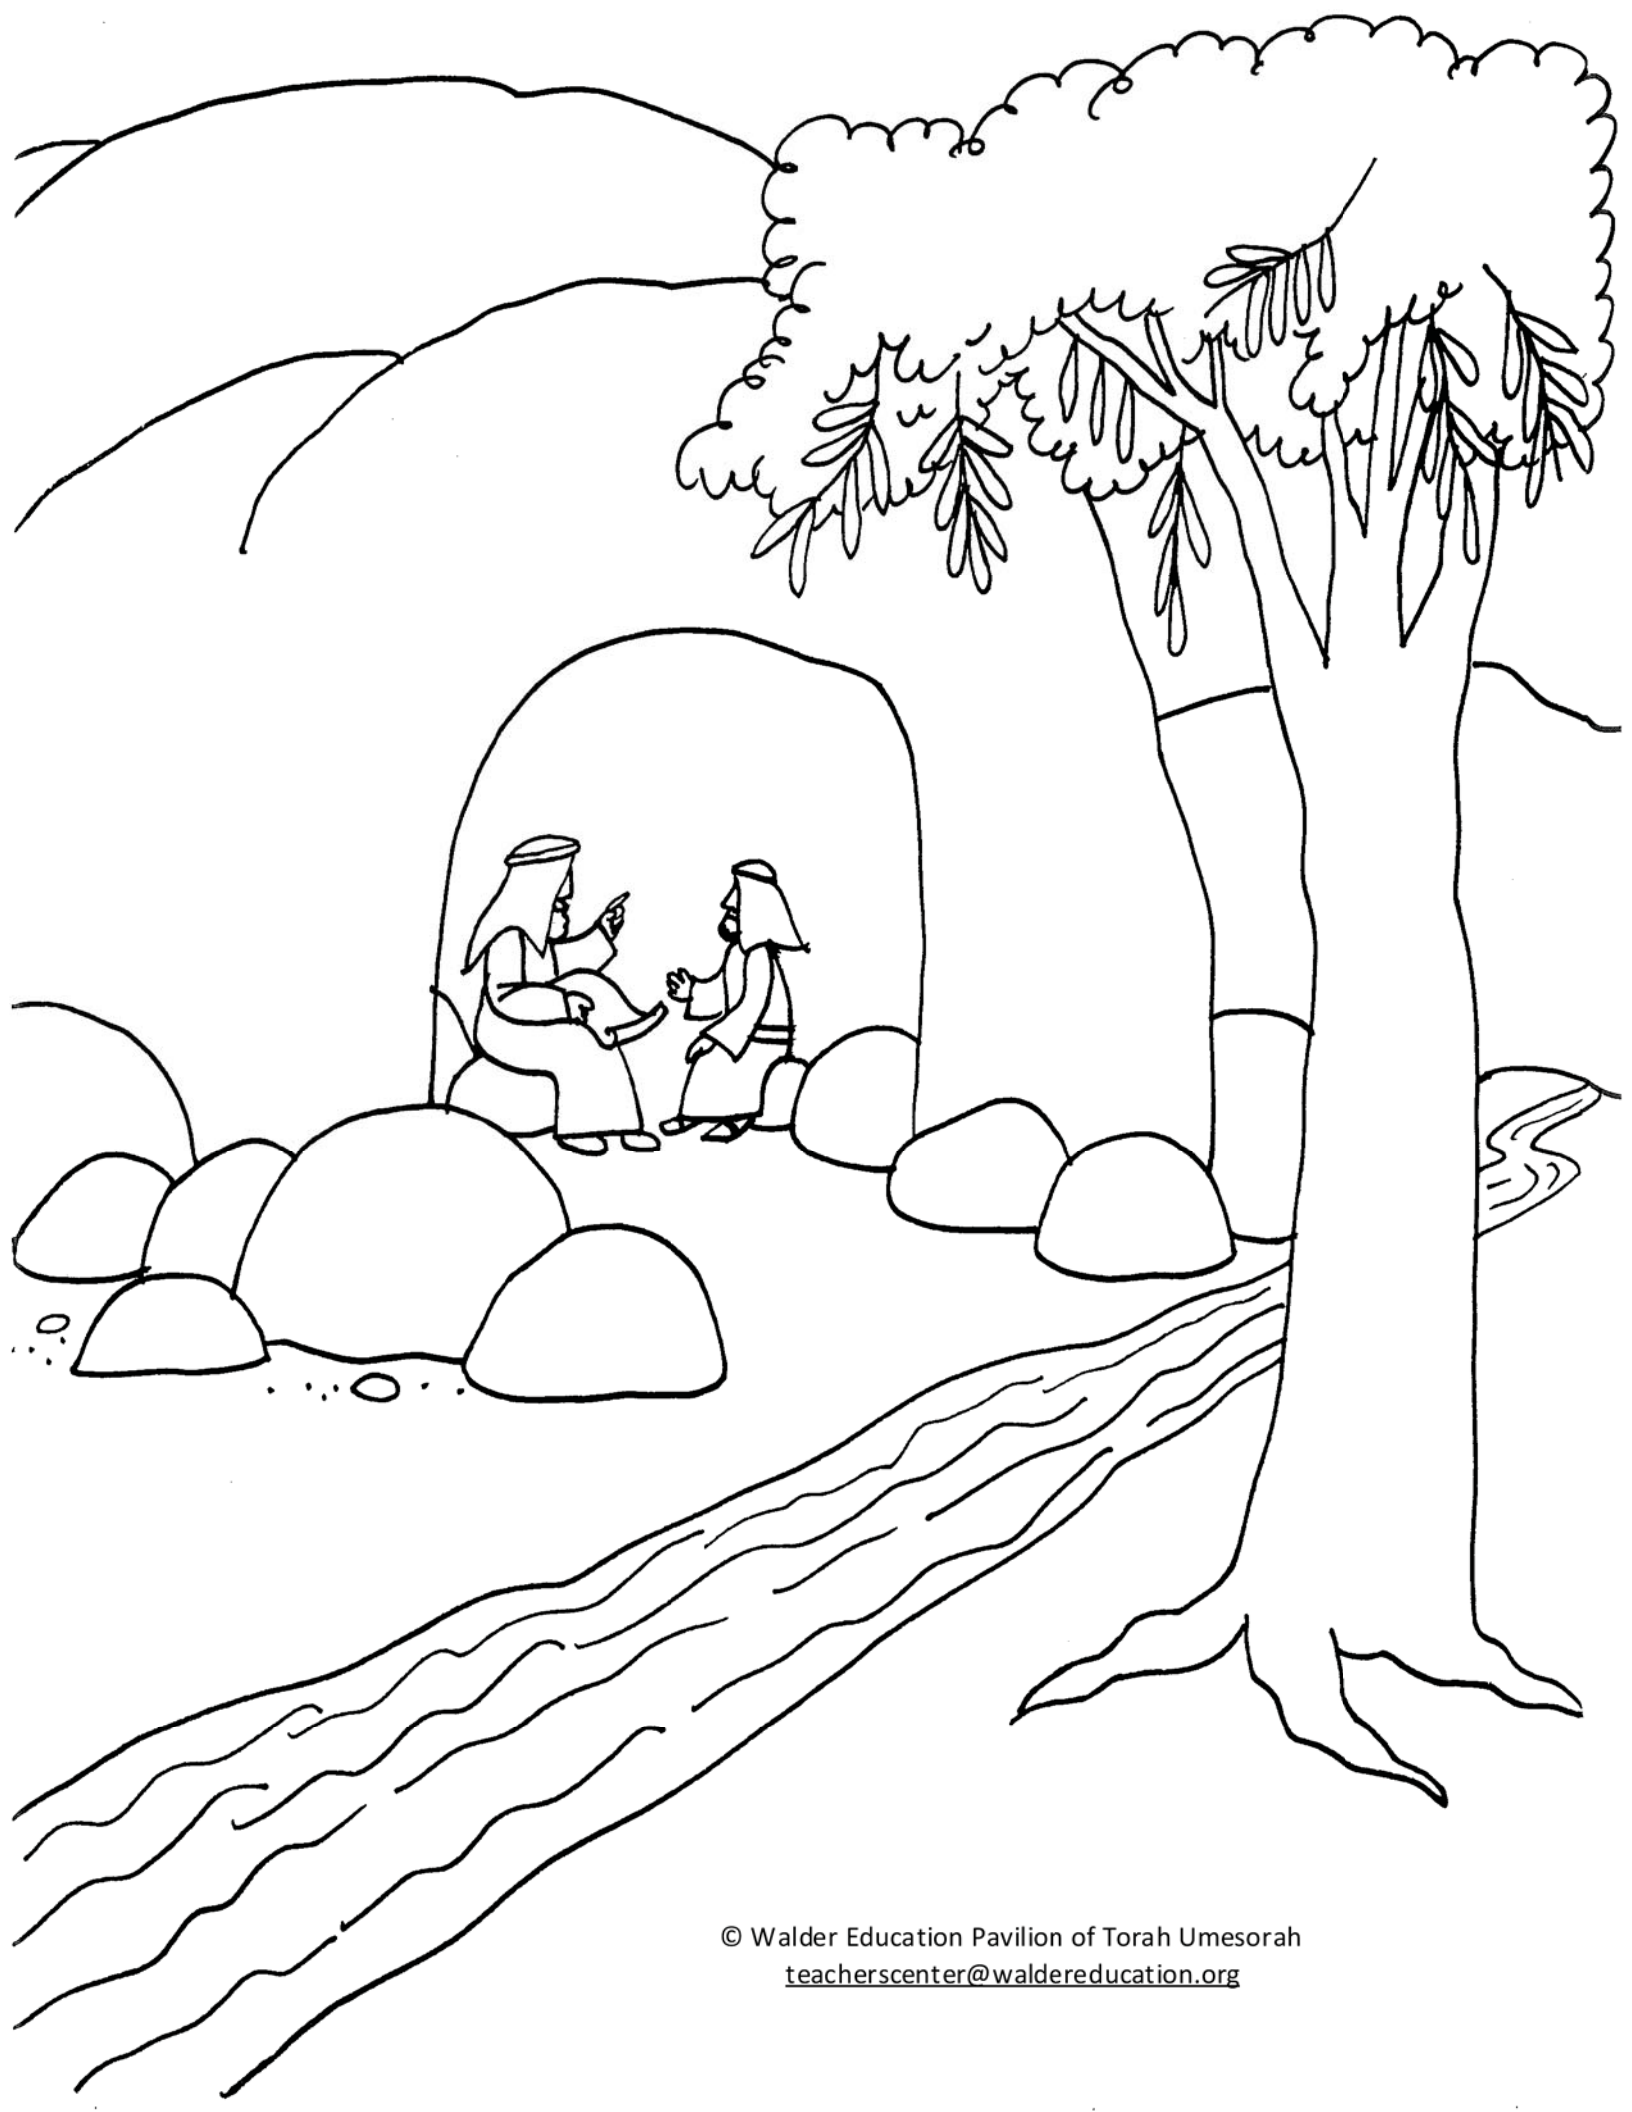

Goals/Objectives:

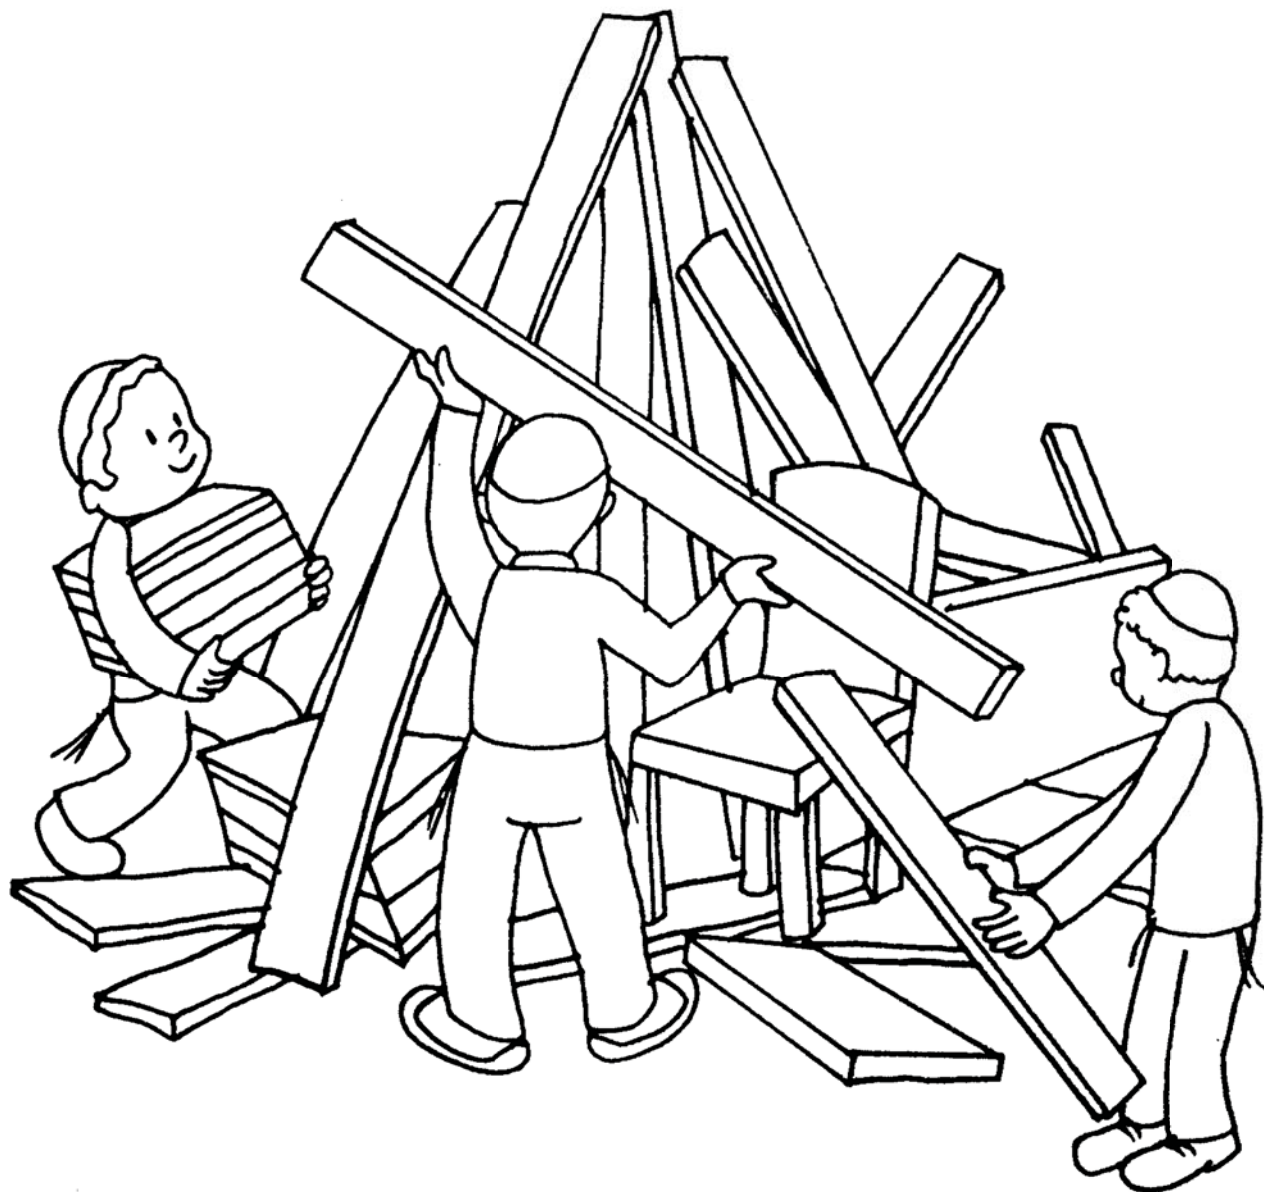

Students will be introduced to the concept of counting the *omer* and become familiarized with the different activities associated with *Lag B'omer*. They will strengthen their fine motor skills, counting and calendar skills.

Instructions:

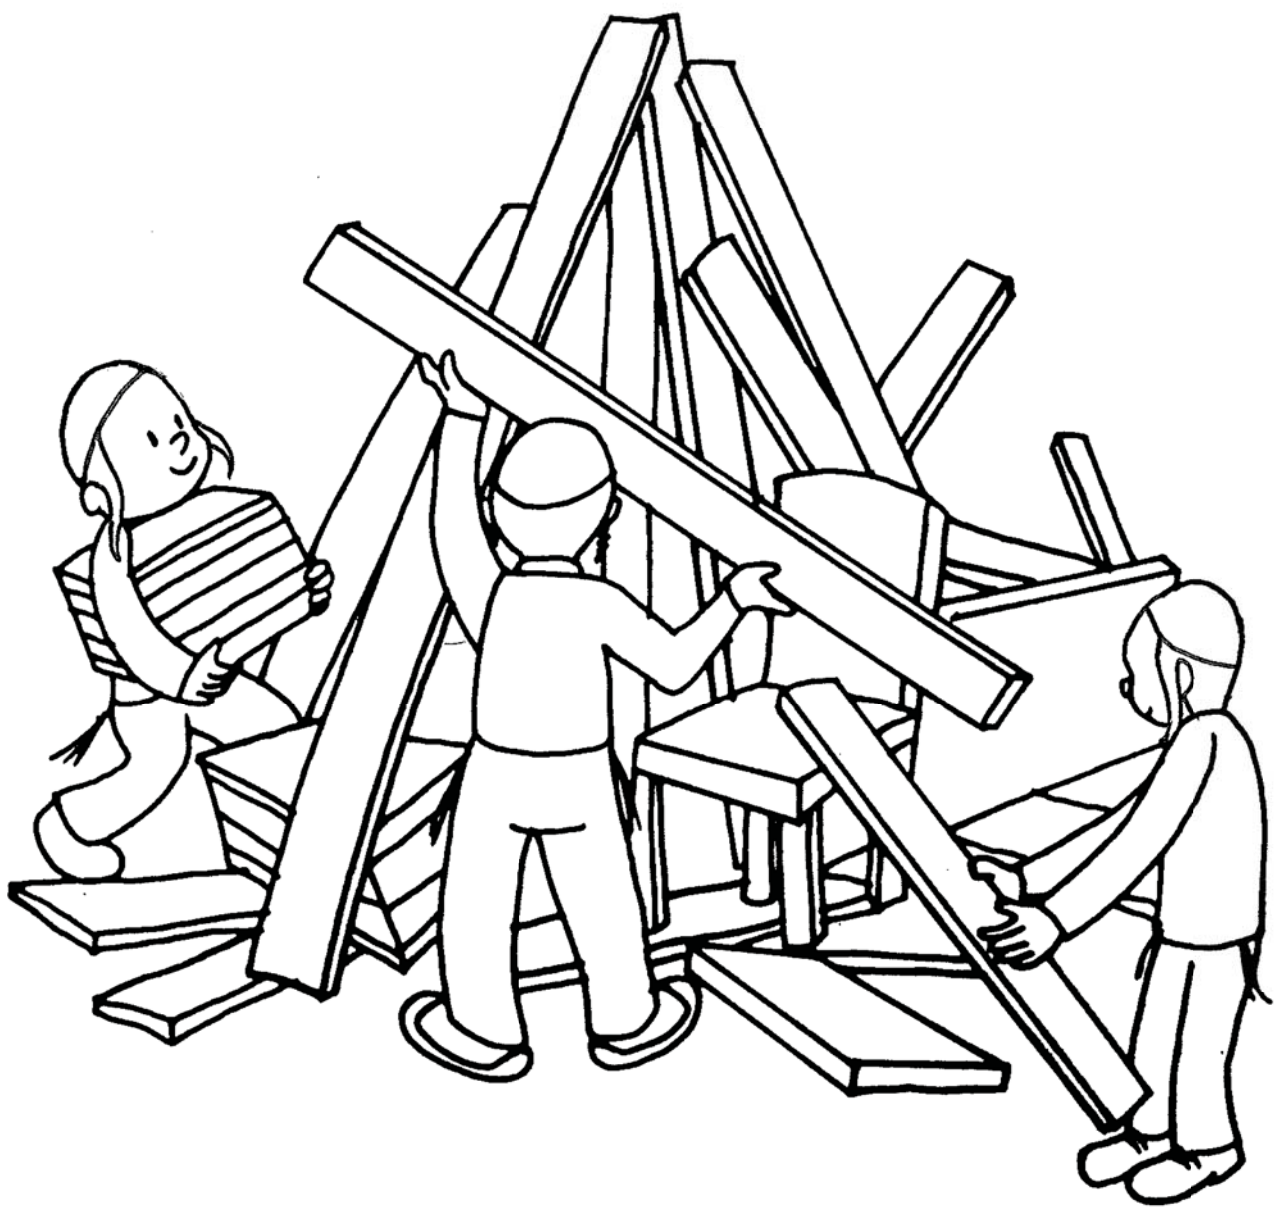

1. Students can color in any or all of the clipart to enhance lessons on the topic.
 - a. A variety of styles of practical and adorable *Sefiras Haomer* charts are available for teachers to choose from.
2. Students will count the *omer* and decorate their individual charts.
3. Teachers can enlarge charts to poster size to create a Class *Sefiras Haomer* Chart. Students can then decorate the enlarged chart by coloring and embellishing with stickers, etc. Then the class can "count the *omer*" together.
 - a. A selection of border pages are available; 2 with lines for essays, stories, poems, etc. and 2 without lines to frame photographs, artwork or whatever your heart desires.
