*Ruler of the world Who ruled
Before anything was created.
Once He created everything, the world
Proclaimed Him King.*

*And after all things will cease to be,
The Awesome One will reign alone.
He was; He is,
And He shall be in glory.*

*He is One, there is no other
To compare to Him.
Without beginning, without end,
He is the true Ruler and Power.*

*He is my G-d and my Eternal Redeemer,
My strength in times of distress.
He is my Banner, and my Refuge,
He is there for me whenever I call.*

*Into His hand I entrust my spirit,
When I sleep and when I wake.
And with my soul, and body too, the
Lord is with me, I shall not fear.*

For all of these, G-d of pardon, pardon us, forgive us, atone for us.

But Repentance, Prayer, and Charity avert the severity of the decree.

Olaynu continued

It is incumbent upon us to praise the Master of all things, to exalt the Creator of all existence, that He has not made us like the nations of the world, nor caused us to be like the families of the earth;

That He has not assigned us a portion like theirs, nor a lot like that of all their multitudes, for they bow to vanity and nothingness.

But we bend the knee, bow down, and offer praise before the supreme King of kings, the Holy One, blessed be He, who stretches forth the heavens and establishes the earth, the seat of whose glory is in the heavens above, and the abode of whose majesty is in the loftiest heights.

He is our G-d; there is none else. Truly, He is our King; there is nothing besides Him, as it is written in his Torah: Know this day and take unto your heart that the Lord is G-d; in the heavens above and upon the earth below there is nothing else.
