

5 DAYS THAT'LL **BLOW YOU AWAY**

THE HIGH HOLIDAYS EXPERIENCE @ THE SHUL
TISHREI, 5770 | SEPTEMBER - OCTOBER, 2009

Honestly, what do you feel when the High Holidays are approaching?

Is it anticipation, renewal, excitement? Or is it boredom, fatigue, and a touch of dread?

If you answered the latter, you needn't feel bad. You have lots and lots of company.

But it doesn't have to be that way. The High Holidays are meant to awaken and inspire. Even if you consider yourself the non-spiritual type, you can walk away from the experience informed, renewed, and uplifted.

At The Shul, there's something for everyone. Whether you're young or old, rich or poor—you'll feel embraced by our warm, extended family. And most importantly, we all grow from the High Holiday experience together.

Affiliation isn't what it's about. If you're a Jew that moves, this is for you.

So give us a call and let us know you're coming. Together, we'll have a blast.

Best wishes for a healthy, happy and sweet New Year,

Rabbi Shmaya Shmotkin

P.S. You can play an active role in designing our services. At various intervals during the service, I pause to address questions regarding any aspect of the High Holidays or the prayers. You can give me a hand by emailing your questions to shmaya@chabadwi.org ahead of the holidays, and I'll do my best to present an answer.

This calendar has just a few of the highlights of this festive season. For a full-featured calendar of all our events, articles, and holiday how-to's, please visit www.shulcenter.org/highholidays.

FOR THE KIDS!

At The Shul, our Junior Congregation is never "glorified babysitting." Instead, kids enjoy programming custom designed for them while whetting their appetite for further Jewish involvement in the years to come.

If you want to sign up to our choir, just let Rabbi Avremi know. He'll get you caught up on all the songs real quick! Just call us at (414) 228-8000.

Rabbi Avremi

FAQ

How much does my attendance cost?

Nothing. Zero. Nada.

Just let us know you're coming so we can have a chair and all the other goodies for you. (People like to attend our services, you know.)

Do I need to be a member?

Nope. You're already a lifetime, honorary member of your people, and one of the perks is the right to practice your faith. If you would like to become a "formal" member of The Shul, we would love to welcome you at any level of participation that works for you. Just call The Shul office at (414) 228-8000 or online at www.shulcenter.org/join

What if I don't know Hebrew?

You're still in luck! All the congregants speak English, the prayer books have English translation, the reading material is in English, the speech is in English, and we'll read lots of prayers in the English translation. (As for the Hebrew, we've got crash courses for that, too.)

Do I need to register?

You can just walk in, but it sure would help if you could let us know beforehand!

What if I can't come for the whole time?

Then come for whatever time you can. Just be sure to make the most of it.

Will my kids feel comfortable? Do you have something for babies too?

Our Junior Congregation leaders are simply fantastic! Let us know your kid's names and ages so we can place them into the right group, and we'll take care of the rest. (There's a good chance they'll have an even better time than you!)

For the real little ones, we have a babysitter and toys to nurture them through the day.

Got etrog? If you need to purchase a lulav, etrog, or sukkah for your home, we're your Judaica hook up. Just call Lubavitch House at (414) 961-6100 ext. 210.

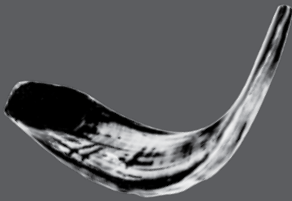

Please come fragrance free due to allergies and asthma. Thank you!
